WHY PUT UP WITH MORE PAIN THAN YOU HAVE TO?

(Or how a rotten headache works.
And why Excedrin works better than Bayer or regular Tylenol.)

From time to time, you may find yourself really being overworked. Or overtired. Having too many cigarettes. Or too much coffee. Or even missing a meal.

The problem is, all these things and more can sometimes give you a rotten headache.

Biologically, what happens is this: the muscles in your head and neck contract. If they stay contracted too long, you can get real pain and discomfort.

Worse yet, sometimes the blood vessels carrying blood to your brain may also contract. And that can make your nerve endings end up screaming.

To relieve all this, Excedrin gives you something extra. Extra Strength.

Excedrin provides more pain reliever, more total strength than Bayer, Tylenol, or any regular strength tablet, aspirin or non-aspirin.

In fact, a combined analysis of 3 hospital studies indicates Excedrin can relieve pain significantly better than any regular tablet.

Next time you get a rotten headache, why put up with more pain than you have to?

Try Excedrin. The Extra Strength Pain Reliever.™

And see for yourself why, for literally millions of people, Extra Strength means Excedrin.

EXTRA STRENGTH MEANS EXCEDRIN®

Read and follow label directions
when using Excedrin or any medicine.

This Panasonic stereo has one component your component system doesn't have.

A handle.

AM/FM STEREO CASSETTE RECORDER

The best stereo sound used to come only from components. Until Panasonic put a handle on it. Now great sound carries everywhere with the Panasonic RX-5500 AM/FM stereo cassette recorder, a super portable that packs the features found in many component systems.

Like linear-scale tuning that helps you pinpoint FM stations even on a crowded dial. For even more accuracy, there's a 14-stage LED tuning meter with separate right and left level channel indicators.

The 5500 also has component-like sophistication in the cassette section. Starting with the Dolby* Noise Reduction system. To a three-position tape selector that lets you handle the three most popular types of tape (CrO₂, FeCr and normal). There are two built-in, sensitive condenser microphones for great live recordings.

And with mike-mixing you can record along with your radio favorites. While the digital tape counter, Cue and

Review and locking pause control add up to effortless recording and playback.

The 5500's speakers are just as remarkable, with two powerful 6½" woofers and two 1¼" tweeters. And with separate controls for treble and bass, you can tailor the sound to your taste. There's even a variable sound monitor that lets you adjust the volume of the speakers without affecting your headphones. Or vice versa.

And all of this incredibly sophisticated sound travels just about anywhere because it operates on batteries (not included) and on any of the 4 international voltages. Even from your car with an optional adapter (RP-952).

The RX-5500. It's part of the line of Panasonic "Stereos with a Handle." Pick one up.

Supertuner.® Nobody can steal our thunder.

Ever since Pioneer unleashed its Supertuner® technology on car stereo, the competition has tried to catch up. Tried to match our home hi-fi specs. Tried to duplicate our unique, station-grabbing sound. But the only thing that

muting to blank the noise between stations. Useable FM sensitivity of 1.1 μ V.

Selectivity of 74 dB. A capture ratio of 1.7 dB.

Team it with a set of Pioneer TS-695 3-way speakers, and you've got a Supersystem that works audible wonders with tape and FM.

Your Pioneer dealer can give it to you at a very reasonable price.

Would you sign up for a lifetime course in applied Christianity?

Our course will take you deep into the Third World, to some of the most depressed and oppressed places on earth.

To God's Country.

As a Maryknoll Missioner, you can share the love of God with these, His people. You can bring them hope and peace and dignity.

You will practice some very practical Christianity, too. You might set up adult education classes, show a starving farmer how to improve his crop, or a struggling worker how to improve his lot. Most of all, you will share the Gospel of Jesus Christ.

You will learn and keep on learning the rest of your life. You will learn and share their language, of course. But also their culture, traditions and, yes, their religion. You will learn the quality of joy that can only come from doing unto others, because all the while you give yourself to their lives, they give meaning to yours.

Call: TOLL FREE (800) 431-2008 and ask for Father Harper.
New York State residents call: (914) 941-7590.

Please tell me more about a lifetime career as a Maryknoll Missioner.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1, 1980, cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to August 1, 1980. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 163, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$9 per semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Adviser Locator Station in the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During scheduled evening hours of late registration, advising is available in the Late Registration Center. During the day (8:30 am-4:00 pm) academic advising occurs in the academic department. Faculty advisers are generally available except when they are teaching. Assistance in locating an adviser may be obtained in the Office of the Department Chairman or in the Late Registration Center.

Handicapped Student Registration

A preferred registration procedure is provided for some disabled students to allow them reasonable opportunity to schedule around special disability-related needs and to eliminate the architectural inaccessibility of the regular registration process. Those eligible for this service include students with mobility impairments, their personal care attendants and others who need special scheduling to accommodate medical or educational needs arising from a disability.

Handicapped Students Registration is begun prior to regular registration. Students using this procedure should see their adviser, complete the "Student Schedule" form in full and take it to the Coordinator of Handicapped Student Services well in advance of the beginning of regular registration. A duplicate of the schedule will be made, and the class cards will be pulled for the students prior to regular registration. Each student's class cards will be placed in an envelope marked with his name. These envelopes will be held in the late registration center.

The student may pick up the reserved class cards and complete the remaining registration procedures anytime during Late Registration in the University Center. Students who have cards reserved in this manner will not be charged a late registration fee.

For further information and specific details please contact Coordinator of Handicapped Student Service, Room 215, Scates Hall or call 454-2880.

New and Readmitted Students (Undergraduate)

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Registration calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. This should be done prior to the new student orientation session. Students who have not seen an adviser will be assigned one during the orientation session.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

New and Readmitted Students (Graduate)

New Graduate School students are directed to an adviser following their admission. Students who are classified as Graduate Special or Graduate Provisional, should go to the Graduate School Office, Room AD 315, for an adviser. An orientation session for new graduate students is held on the morning of graduate registration.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

New and Readmitted Students (Evening)

New and readmitted evening students should secure required information about registration and advising in the Evening Academic Service Office, Room AD 165, telephone 454-2398. Graduate students attending in the evening should follow the procedures outlined under "New and Readmitted Students (Graduate)" above.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 165, Administration Building for advising assistance.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students

Registration materials are mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. Appointment times do not reflect hours earned during the current term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic advisor, complete information on the form, and secure advisor's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic advisor's approval; (2) Go to the department in which the course is taught and pick up the "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

Late Registration

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. New students will be given information concerning ID cards in their information sessions. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 208 Scates Hall. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students should not register until all outstanding financial obligations have been cleared.

Returned Checks

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A \$5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

FEES AND DEPOSITS

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00.

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Summary of Course Fees for Fall Semester

	In State	
	Per Hour	Maximum
Undergraduate	26	278
Graduate	32	323
Law	32	346
	Out-of-State*	
	Per Hour	Maximum
Undergraduate	79	890
Graduate	85	935
Law	85	958

*Out-of-state student fees include a maintenance fee which is charged each student plus an additional \$53.00 per hour or \$612.00 maximum for out-of-state students.

Fees for audits will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

Activity Fee

All students enrolled for one credit hour or more will pay a **\$1.00 Student Activity Fee**. The amount is \$1.00 regardless of the total number of hours for which the student is enrolled. There is no activity fee during the summer terms.

Tuition

Students classified as non-residents are charged an additional \$53.00 per semester hour.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

University College Fees

In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00.

Students who apply for credit for experiential learning will pay \$15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of \$90.00 will be assessed for credits assigned under the terms of the group contract.

Courses in Applied Music

The fee of applied music shall be \$30.00 per semester for each one-half hour lesson.

Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00

STUDENT FEE REFUND PROCEDURES

for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

Air Force ROTC Deposit

A uniform deposit of \$10.00 and a \$5.00 activity fee are required of each student who enrolls in the Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits

Certain courses in chemistry require breakage deposits from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of \$4.00 for the locker and towel issued them. Students must provide their own lock.

Late Registration

Students who do not complete registration (including the payment of fees) during the official registration period will be charged \$10.00 for any late registration following the official registration period.

Adding and Dropping Courses

A fee of \$5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

Transcripts

There is no fee for transcripts. However, the student will be charged \$1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee

Each candidate for a degree from Memphis State University pays a \$20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

Maintenance Fees, Out-of-State Tuition, Music Fees

The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the term calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two and one-half weeks after classes begin and usually should be completed five weeks after classes begin.

Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination

The fee for taking an examination for credit is \$15.00 minimum and an additional \$5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

(5) CHANGING ENROLLMENT STATUS

Change of Course

After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISOR. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change of course application before it is processed. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has closed and later reopened. The University reserves the right to cancel courses or sections.

Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

- (1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
- (2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 165, Administration Building
- (3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

- Arts & Sciences
 - Dean's Office — MI 219
- Business Administration
 - College Advisor — BO 426B
- Communication & Fine Arts
 - Dean's Office — MJ 300
- Education
 - College Advisor — ED 211
- Engineering
 - College Advisor — EN 259
- University College
 - Dean's Office — JN G-1

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University Bulletin.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 165, Administration Building, between the hours of 12:00 Noon - 8:00 p.m. Monday through Thursday, and 8:00 a.m. - 12:00 Noon on Saturdays.

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

Change of Advisor

Students may change advisor by making application to the college in which they are currently enrolled. After being assigned an advisor, the student should come immediately to the Records Office.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, are mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENTS' RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

PRIVACY RIGHTS OF PARENTS & STUDENTS ANNUAL NOTICE TO STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student Education Records.

Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note:

All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

- **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and

records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

- **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.
- **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.
- **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.
- **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University. Employees whose responsibilities place them within this category include: teachers; faculty advisors; admissions counselors; academic advisors; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.
- **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities. In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs,

What can meditation do for you? A psychologist outlines its benefits and describes how to design a meditational program suitable to individual needs. #20209

AN UNORTHODOX VIEW OF PSYCHIATRY

R.D. Laing
Controversial British psychiatrist R.D. Laing has been called a genius, a charlatan, a guru, and a man utterly concerned with the human condition. Here, he expresses his controversial views on the treatment of schizophrenia, the significance of birth trauma on adult development, life after death, and clarifies his criticism of the psychiatric establishment. #20185

YOU AND YOUR PERSONALITY

Hans J. Eysenck
Adult personality from behavior in early childhood can be predicted, says this noted psychologist. He explains why heredity, rather than environment, plays the most significant role in determining personality. He also discusses the influences of the media on personality, and implications of our new research for childrearing. #20204

LEARNING AND MEMORY

- Tony Buzan
A psychologist gives specific instructions on how to improve both learning and memory by tapping into the brain's unused capacities. #20163

WEIGHT CONTROL

- Michael Mahoney
Most overweight persons revert to old habits once they are off their diets. Psychologist Mahoney says that permanent weight control can only be achieved when the individual learns to change his behavior and outlines a behavior modification approach. #20034

WHAT HYPOCHONDRIA CAN DO FOR YOU

William S. Kroyer
A physician and hypnotherapist corrects misconceptions and refutes fears about hypnosis. He explains how it is used to relieve physical and mental symptoms, and how you can use self-hypnosis to boost your self-confidence and improve your physical and mental skills. #20176

C. Procedure for Gaining Access to **Educational Records.**

- To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.
- If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.
- The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted

or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
 2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
 3. "Records" to which access has been waived by a student.
- E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.
- F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.
- G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Council.

cassettes

The Psychology Today Cassette program allows students the opportunity to listen to outstanding psychologists on subjects relating to human behavior and social interaction; on pioneer researchers discuss their findings and its implications for individuals and society, clinical theorists talk about the methods they have developed to change behavior and treat symptoms of maladjustment and mental illness. Many of the tapes suggest how you can solve your own personal problems, change your behavior, or enlighten your self-awareness and self-understanding. These discussions may also provide useful material for your course-work in psychology.

SELF-HELP & IMPROVEMENT

ASSERTIVENESS TRAINING

Robert Alberti & Michael Emmmons
The authors of "Your Perfect Right" and "Stand Up, Speak Out, Talk Back!" explain the theory and practice of assertiveness training. #20048

CREATIVE PROBLEM SOLVING

Kenneth Plerfler
A psychologist describes skills and guidelines to improve one's ability to solve problems. He explains how to arrive at optimal solutions and decisions by overcoming personal and social constraints that may restrict creative thinking. #20226

MIND EXPANSION WITHOUT DRUGS

Jean Houston
A researcher teaches how to tap unused mental potential to increase creativity, heighten self-awareness, and benefit by achieving altered states of consciousness without the influence of drugs. #20101

IMAGINATION: THE TEACHER INSIDE YOU

Joseph E. Shorr
The mental imagery we call imagination can give you valuable information about your personality and relationships with others. Shorr explains how to tap into this imagery to gain increased self-awareness and actualize your human potential. #20160

POSITIVE ADDICTION

William Glasser
Psychiatrist Glasser explains how one can become addicted to healthful activities that increase physical and mental strength. He describes the beneficial and enjoyable responses that positive addicts experience. #20160

COPING WITH CHANGE

Frederic Flach
Virtually any change or disruption in one's life pattern can produce psychological stress. Psychiatrist Flach discusses the emotional impact of change, and explains how to turn potentially damaging situations into opportunities for personal growth. #20090

HOW TO LISTEN TO YOUR FEELINGS

David Viscott
A noted psychiatrist explains how to accept and let out feelings of anger, guilt, and other negative emotions in a manner that will stimulate emotional growth and improve relationships with others. #20218

CONSTRUCTIVE ANGER

George Bach
The author of "Creative Aggression" explains how the healthy expression of anger can often enhance relationships. He describes the destructive uses of indirect aggression, how to recognize it, and how to combat it. #20078

WHAT HYPNOSIS CAN DO FOR YOU

William S. Kroger
A physician and hypnotherapist corrects misconceptions and refutes fears about hypnosis. He explains how it is used to relieve physical and mental symptoms, and how you can use self-hypnosis to boost your self-confidence and improve your physical and mental skills. #20176

EXPERIMENTS IN PSYCHOLOGY

LEARNED HELPLESSNESS - Martin E. P. Seligman
Research on helplessness in animals provides a new view of the problem of human depression. Dr. Seligman discusses how depression may be caused and what can be done to treat it. #20011

THE BIOCHEMICAL BASIS OF LEARNING

AND MEMORY - James V. McConnell
Professor McConnell describes his classic experiments on flat worms, which proved that biochemical changes occur in the body as learning takes place, and that learning can be transferred from one individual to another. #20167

THE PYGMALION EFFECT: WHAT YOU EXPECT

IS WHAT YOU GET - Robert Rosenthal
Rosenthal's research shows how teacher expectations can influence student performance. He explains how we communicate these expectations non-verbally. #20039

THEORY

THE RESPONSIBLE WORLD OF REALITY

Therapy - William Glasser
The founder of Reality Therapy explains how his methods can help persons accept more responsibility for their own lives. He describes his technique in detail and points out how it can help those faced with personal or institutional problems. #20024

RATIONAL EMOTIVE PSYCHOTHERAPY

Albert Ellis
The father of Rational Emotive Therapy discusses the theory and practice of his approach to personal problem solving. He explains how RET teaches one to replace irrational concepts with rational thinking to increase personal effectiveness and self-esteem. #20085

BEHAVIOR THERAPY

- Joseph Wolpe
A pioneer in the field explains the methods behavior therapists use to cure neuroses, anxieties, bad habits, and maladaptive thought patterns. #20154

GESTALT THERAPY

- Robert W. Resnick
In gestalt therapy, awareness of self and of others is the key to mental health. Resnick explains how knowing what you do and how you do it facilitates that awareness, making life's choices more accessible. #20156

JUNGIAN PSYCHOLOGY

- June Singer
A Jungian analyst explains why the psychology of Jung is enjoying a renaissance. She describes Jung's interest in the spiritual aspects of experience, his understanding of human sexuality, his conception of the human psyche, and discusses the methods and objectives of Jungian analysis. #20150

CLIENT-CENTERED THERAPY

- Carl Rogers
Carl Rogers, one of America's most admired therapists and teachers, explains what his client-centered therapy is, how it works, and why it helps both mildly unhappy and severely disturbed persons. #20178

INSTRUCTIONAL

DEEP RELAXATION

- Daniel Goleman
Relax away your tension. Dr. Goleman leads you through a deep relaxation procedure that you can learn and do on your own. #20040

MEDITATION

- Daniel Goleman
Dr. Goleman tells how to do an easy, basic meditation technique. He also talks about the Eastern origins of meditation and discusses common problems of beginners. #20033

EXERCISES FOR MIND EXPANSION

Jean Houston
A pioneer researcher in human potential guides listeners through a series of mental exercises designed to increase self-awareness, heighten perception, stimulate creativity, and improve athletic and motor skills. #20161

INSTRUCTION IN SELF-HYPNOSIS

William S. Kroger
A physician and hypnotherapist teaches listeners how to hypnotize themselves, and explains how self-hypnosis can help combat anxiety, pain, and other disorders, and enhance physical and mental abilities. #20177

SOLVING PERSONAL PROBLEMS

UNDERSTANDING AND MANAGING JEALOUSY

Gordon Clanton
Sociologist Clanton discusses the nature of jealousy, and explains how it affects both individuals and society. He suggests techniques for coping, and comments on changing attitudes towards sexual jealousy. #20052

OVERCOMING SHYNESS

- Philip Zimbardo
A social psychologist discusses the nature, causes, and consequences of shyness, and explains how it can be overcome. #20102

UNDERSTANDING AND OVERCOMING

LONELINESS - Lett Itte Anne Papiau
What are the consequences of loneliness, and what can one do to overcome it? A social psychologist draws upon her research to answer these and other questions relating to loneliness. #20225

PIONEERS IN PSYCHOLOGY

PERSONAL POWER

- Carl Rogers
Dr. Rogers discusses the abuses of power in interpersonal relationships and explains the benefits of a power-free "person-centered" approach to intimate relationships. #20062

B. F. SKINNER: THE EARLY YEARS

B. F. Skinner
The father of behaviorism talks about how growing up in a small Eastern town influenced his life and work. One gets an intimate glimpse into his relationships to family, friends, teachers, and others who affected him most. #20158

OH
WHAT
A
FEELING

TOYOTA

THE ALL-NEW TOYOTA COROLLA SR-5 Sport Coupe. More space, aerodynamic styling plus futuristic features put this 1980 Corolla into a whole new orbit.

Notice the instrument panel. Its symmetry, beauty and precision are examples of the new Corolla's advanced styling.

And space is an integral part of that style. Wide open spaces offer more comfort for leggy drivers and a

backseat for leggy passengers. There's even more space to check your baggage!

To help you take off, there's a larger 1.8 liter engine, aided by the new, sleek, aerodynamic shape which reduces air drag resistance up to 9%.

Given this space-like styling and handling, you'd expect these new Corolla options such as an eight-track tape deck and power steering!

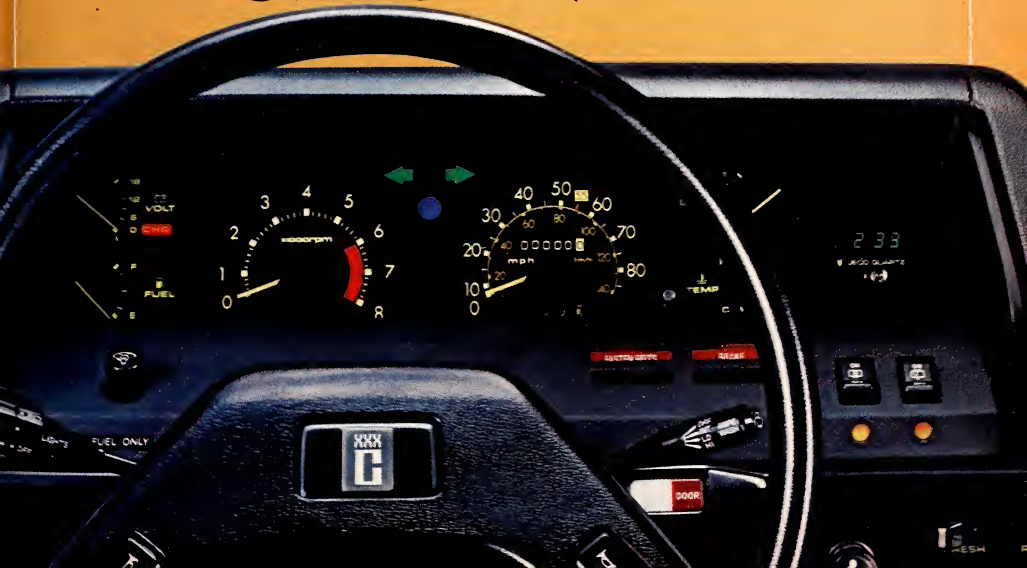

SELECTED BY THE U.S. OLYMPIC COMMITTEE

Each of the 12 new Corolla models is definitely out of this world. Yet they're still Toyotas, with all four wheels placed firmly on the ground — when it comes to reliability, a lot of standard features, and total economy.

The new Toyota Corollas. Space has never been so beautiful. Or so accessible.

The Dashboard Wizard.™ Before, there was only car stereo.

Put aside everything you've been told about car stereo. The Dashboard Wizard is with us! An in-dash preamp combination system that will transform your car.

His precise digital electronic tuner memorizes your favorite 7 AM and 7 FM stations, searches up, searches down and scans, and even tells you the time.

Hit the equalization switch and presto, the auto-reverse cassette deck accommodates chrome and metal tapes. With a Life Time Metal (LTM) playback head that's built to last well into the future. His five-

band graphic equalizer lets you match the music to the acoustics of your car.

Performance? Miraculous, of course. And with Dolby* on both FM and tape, hiss has definitely become a thing of the past.

Hear the Dashboard Wizard at your Fujitsu Ten dealer. Any resemblance to ordinary car stereo is a figment of your imagination.

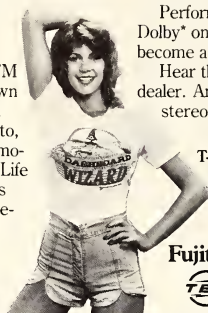

For a free Dashboard Wizard T-Shirt Transfer, write to
Fujitsu Ten Corp. of America,

EARN UP TO \$800 A MONTH RIGHT THROUGH YOUR SENIOR YEAR.

If you're a junior or senior majoring in sciences like math, physics or engineering, the Navy has a program you should know about.

It's called the Nuclear Propulsion Officer Candidate-Collegiate Program (NUPOC-C for short) and if you qualify, you can earn as much as \$800 a month right through your senior year. Then after 16 weeks of Officer Candidate School, you'll get an additional year of advanced technical education. This would cost thousands in a civilian school, but in the Navy, we pay you.

It isn't easy. There are fewer than 400 openings and only one of every six applicants will be selected. But if you make it, you'll have unequaled hands-on

responsibility, a salary of more than \$25,000 in four years, and gilt-edged qualifications for jobs both in the Navy and out.

Ask your placement officer to set up an interview with a Navy representative when he visits the campus, or contact your Navy representative at 800-841-8000, or send in the coupon. The NUPOC-C Program. Not only can it help you complete college. It can be the start of an exciting career.

MINI COLLEGE PROGRAM
Martha Armstrong, Coordinator
Office: Suite 265 – Administration Building

Move Into A New Identity (MINI) is a program for mature men and women who want to resume or begin their college education but are unable to attend classes under the regular schedule. The MINI College offers personal, individual handling of admissions and registration procedures and special classes and teachers to ease the trauma of becoming a college student. For more information, contact Mrs. Martha Armstrong at 454-2381.

GRADUATE AND UNDERGRADUATE ISSUE 1980-1981
MEMPHIS, TENNESSEE JULY, 1980

Memphis State University offers equal educational opportunity to all persons without regard to race, religion, sex, creed, color, national origin, or handicap. The University does not discriminate on these bases in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for University compliance with Section 504 of the Rehabilitation Act of 1973 is the Vice President for Student Educational Services.

English Placement Essay

The English Placement Essay will be required of students scoring below 19 on the ACT English (or below SAT Verbal score of

450) to determine whether students should register for English 1101 (the regular course in essay writing) or English 1100 (an intensive review of fundamentals with a concentration on mechanics, sentence structure, and paragraph writing for those needing extensive help in mastering basic skills).

The essay will be administered daily to students who preregister during Orientation sessions. During registration week, the essay will be administered on Tuesday, September 2, in Scates Hall, Room 105 at designated times.

The following courses were approved for inclusion in the offerings of the University after 1980-81 Catalog issue of the University Bulletin had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University curriculum.

TURN A WEEKEND A MONTH AND TWO SUMMERS INTO \$6,000 FOR COLLEGE.

Unlike many part-time jobs, ours fits into your schedule conveniently and is less likely to hurt your grades.

Because you only spend 16 hours a month with us during the school year, and it's usually on a weekend. The rest of your training is during the summer.

VALUABLE TRAINING.

Instead of the usual boring, dead-end part-time job, we give you a chance to do something challenging.

At the same time, you'll learn a valuable job skill. Like Surveying. Auto Mechanics. Or one of many other career specialties, depending on your qualifications and your

local unit's needs.

\$2,000 JUST FOR ENLISTING.

The first \$2,000 of the \$6,000 we mentioned is the college aid that many units still offer high school graduates as an enlistment incentive. It's paid in yearly

installments of \$500 so you'll stay in college. (Not all units offer the college aid, so check with your recruiter.)

You can make another

\$2,200 from the monthly training sessions.

The remaining \$2,000-plus comes from summer training which pays you over \$448 a month. This includes seven weeks of Initial Entry Training one summer, two-

to-four months of job skill training the following summer, and yearly two-week training sessions.

The summer training usually gives you a chance to get out of town for a while.

PLUS THE BENEFIT OF STAYING HOME.

Remember, this is the Army Reserve you're joining, not the Army. So, with the exception of summer training, you'll be serving at your local Reserve Center.

Introducing the Bose 550 Receiver.

The new, moderately priced Bose® Model 550 AM/FM Stereo Receiver brings you Bose® technology and research wrapped up in an affordable, innovative package. It includes a direct-coupled amplifier that delivers a solid 40 watts of RMS power per channel—enough to drive almost any loudspeaker. It has an excellent AM/FM tuner section for clear, clean reception. And exclusive Bose® Source and Room Compensation Controls let you adjust for recording characteristics and for room acoustics. These controls make it easy for you to remove mid-range boominess *without* losing your deep bass. Try that with a conventional receiver!

The Bose® 550 Receiver is designed to drive any speakers that suit your taste and budget. And it contains a unique feature you'll really

appreciate when you upgrade your system. More and more customers tell us their first loudspeakers are interim units and that one day they hope to invest in a Bose® 901® Series IV Direct/Reflecting® Loudspeaker System. Ownership of the 550 Receiver brings that day much closer, because the receiver has a built-in 901® Active Equalizer that gives you a significant savings when you purchase 901® speakers.

With or without Bose® speakers, we believe you won't find a receiver that gives you better engineering, better design and better sound for the money. For more information about this fine new Bose® Model 550 AM/FM Stereo Receiver, see your nearest authorized Bose dealer. Or write: Bose Corporation, Dept. DC, 100 The Mountain Road, Framingham, MA 01701.

Economics 1A.

Mid-terms to finals on one tank. The 1980 Honda Express* is the sporty little motorbike that can make your gas money go a long way—up to 100 mpg*.

And it's so easy to ride, it's perfect for beginners. The transmission is automatic so there's no clutch lever, no pedals and no gears to shift.

Upkeep is way down.

The Express rarely needs servicing. That's because its rugged, reliable 49 cc

Honda engine is built by the people famous for engine innovations.

It's completely street legal, too. With dual mirrors, automatic-on head and taillights, turn signals and front and rear drum brakes.

Leave later, park closer.

Besides fitting into the smallest budgets, the Express fits into the smallest parking places. And it can go most anywhere on campus a bicycle can.

There are more

than 1,700 Honda dealers throughout the United States who can teach you more about the economics of owning a Express. And when you're there, don't forget to ask how much fun they are.
